LOOK HOW YOU VOTE NEXT TUESDAY, NOVEMBER 2

THE QUESTION OF

SUBMISSION!

IS THE MOST IMPORTANT ISSUE.

Work diligently to secure Legislators pledged to submission. It is not the desire of the TEMPERANCE LEAGUE to place new candidates in the field, if the ones now presented will pledge themselves to Vote for Submitting the Temperance Question to the People, who should have the right to vote on this question,

We claim that public sentiment is now in favor of Temperance; as the late published report of the Liquor Dealers' Association states, they favor Temperance and are opposed to

Intemperance. WE ALL KNOW that the manufacture and use of alcoholic drinks is the greatest evil of the country; that and criminals, and thereby imposes ENORMOUS BURDENS OF TAXATION; destroys capital and ruins

labor, and prevents many a man from having a good home of his own.

The Temperance League requests everybody to work for the best interest of our State and regardless of personal preferences, to vote for candidates who have pledged themselves, as below, to vote for SUBMISSION, remembering that if we fail now we are barred for six years by law. Work while you live.
